WE ENVISION A WORLD WHERE ALL PEOPLE KNOW THEY BELONG.

Racker is a non-profit organization serving people with disabilities and their families for nearly 70 years. We support people with disabilities and their families to lead fulfilling lives by providing opportunities to learn and be connected with others.

We work at our 35 sites in Tompkins, Cortland and Tioga Counties as well as in people's homes in the communities we serve.

We are funded by five state agencies. We also fundraise within the community to help fill funding gaps, all to provide needed resources and to develop new and innovative programs.

We provide services to over 3,500 people with disabilities and their families.

We help people with a wide array of disabilities including: cerebral palsy, autism, Down Syndrome, spina bifida, learning delays, and emotional disabilities. We provide services for people of all ages from newborns to seniors.

We employ nearly 1000 people, making Racker one of the top 10 employers in our area.
