

**RACKER CENTERS**  
Supporting People with Disabilities

*2015 Financials and Donor Report Inside*

# SPECIAL FRIENDS NEWS

We are so glad you are our friends!

# *Your gift truly makes a difference...*

The services, supports and programs that Racker Centers provides for the community cannot be done without you – our loyal donors! It is your support and commitment that make our work possible. Your gift truly does make a difference in the lives of over 3,000 people with disabilities and their families that we serve each and every year. Thank you!

Our funding from the state only goes so far. It is because of your help that we can provide the critical services that so many in the community depend on. Together we make our community a more welcoming and caring place.

Your gift helps us to –

- Provide special education preschool services to young children, helping them grow, learn and thrive
- Fill the funding gap for evaluations and clinical services for young children
- Provide opportunities for youth with mental health challenges
- Help young adults with developmental disabilities be more successful in the community.

Since 1948 Franziska Racker Centers has been fortunate to have the caring and generous support of the community to help us support others. Your gift to Racker Centers is an investment in the future. Helping those with disabilities lead fulfilling lives, being able to participate and give back, makes our community a great place where we all know we belong.

# DONOR SPOTLIGHTS

## ***Sarah Rich***

“Through my work at Ithaca College, I was introduced to what was then called The Special Children’s Center, now Franziska Racker Centers. I give to Racker Centers because I believe their work is important for our community – they help individuals with disabilities, which helps the families, which then helps our whole community. I want to live in a community that appreciates each person, and helps them to be their best. By supporting Racker Centers I help to make that a reality.”

*Sarah Rich, Professor Emerita Ithaca College  
– friend of Racker Centers since 1993*

## ***The Lipinskis***

“For us it all began with our niece, Spencer-Margaret. When she was born with Down Syndrome the doctors said she wouldn’t walk. Fast forward 18 years, our beautiful niece not only walks, but she danced at her prom this year! It’s a tragedy when people think they know, and place limits on others. That’s why Racker Centers is so special and important. They want to know what people can do, what they want to be, and help them achieve their dreams. We want to be part of that, so we support Racker Centers. By giving to Racker we create the community we want to live in, one that welcomes everyone, and appreciates the unique gifts each of us has to offer.”

*Steve and Kathy Lipinski  
– friends of Racker Centers since 2001*

## PLANNED GIVING

### ***Have you considered making a planned gift to benefit Franziska Racker Centers?***

**Make provisions now to help Racker Centers in the future.**

Did you know that the easiest way to make a planned gift is to name Racker Centers in your estate planning with a bequest? You can also name us to be the beneficiary on a Qualified Retirement Plan. For more information on how you can become a Racker Society Member, or to let us know you have already made these provisions, call Perri LoPinto at 607.272.5891 x 234.

*"It is a very special type of giving, very personal. It makes me feel even more connected to Racker Centers. My planned gift ensures that critical programs are available for future families. It helps me feel like I am leaving the world a better place. That is important to me."*
