

RallyCap Virtual Fitness is coming to Racker's Virtual Activities in February 2021! Meet some of the hosts below and preregister for the first session!

What is RallyCap Sports?

RallyCap Sports was formed in 2014, launching its first chapter at Bowling Green State University. Now at 19 locations across 8 states, RallyCap Sports is bringing recreational sports opportunities to hundreds of people with special needs and providing live-changing volunteer opportunities to thousands of volunteers.

At the heart of RallyCap Sports is our vision of a world where people with special needs can share in the joy of sports and community. We believe sports have the power to change the focus from disability to ability and ultimately change lives.

In 2021, the Cornell chapter of RallyCap Sports will host a virtual fitness program exclusively for Racker's Virtual Activities!

Ethan Bachert
