January 5, 2022

Dear Racker Families,

Happy New Year!

Unfortunately, 2022 has already brought exposures to our Wilkins Road location. There were two members of the preschool team who tested positive for COVID and it impacted a number of children in classrooms, Toddlers, and in wraparound childcare.

Already this week, we've received a variety of updates from the local Health Departments about potential shifts that will have an impact on our procedures and practices. Just this afternoon, the New York State Department of Health issued a memo with shifting guidelines for isolation and quarantine. Changes to requirements for schools and child care settings are still in flux so we will continue our procedures until we receive additional clarity.

We know these changes and quarantines are challenging at best and appreciate your patience as we navigate the changing COVID world. I hope to have additional information soon and we will host a Town Hall to review the changes.

Please reach out to me at 607-272-5891x277 or cris@racker.org with any questions or concerns.

Please stay safe and healthy.

All my best,

Cristine Donovan
Associate Executive Director
