

Racker's Parent Network presents:

Racker Speaker Series

EARLY CHILDHOOD

Racker's Parent Network presents a monthly Speaker Series dedicated to supporting the individuals and families at Racker. Individuals that are OPWDD/FSS eligible, as well as those participating in Racker's Early Childhood and Clinical programs are welcome to attend.

This workshop series is offered monthly via ZOOM at no cost. Each month features a different topic presented and moderated by Racker professionals, specialists, and certified experts.

Tuesday, February 15th 2022 6-7pm

Kayla Weaver Speech Language Pathologist, MS, CCC-SLP

Kayla Weaver has been working as a Speech-Language Pathologist for 6 years. She received her Master's in Speech-Language Pathology from Syracuse University. This is Kayla's 4th school year with Racker's Ithaca preschool. Prior to working with Racker, Kayla worked in Cleveland, OH with children ages 5-22 with multiple disabilities. Kayla enjoys helping children learn communication and feeding skills in a fun, playful, and supportive therapeutic environment. Kayla enjoys collaborating with other therapists and teachers to best support children's learning.
