Racker VIRTUAL ACTIVITIES

Racker's Virtual Activities are Skill-building opportunities powered by ZOOM. Tours of community locations, cooking courses, exercise classes, and much more occur throughout each week. Courses are developed and hosted by partnering organizations, Virtual Volunteers, and the Family Resource Program's Community Support Professionals. Apart from offerings on ZOOM, in-person events occurring in the community are also included in our schedule! Those eligible to attend include Racker Service recipients, their family and friends, Racker staff, preschool affiliates, and friends of Racker! Come join us in an environment where people can learn and succeed together! For more info, click below:
